

Here to Help

We partnered with over 22 local and state-wide organizations in 2018. We connected people to services, provided safe meeting places, and spread the word about resources people need.

Questions?

We answered 1,894 reference questions this year. No question too big or too small, we can help you find the nearest recycling center for batteries or the address for your local Congressional representative. How do I print from my phone? Is there a cookbook for people with diabetes? We are here to help you find the information you need.

Computers and Internet

With 24-7 wi-fi service and 10 public access computers available, we helped over 10,407 connections to our high-speed Internet.

Library

Year in Review

Books

With 20,882 titles on our shelves in 2018, we had something for everyone. We added 2,568 new titles from purchases and donations, and circulated 22,735 items.

Downloads

Our library patrons downloaded 1,408 ebooks and 705 audio books from the cloudLibrary this year

Special Items

We checked out 38 museum passes, 90 activity kits, and 139 special items, including a telescope, seeds, and cooking tools. In 2019 we added To-Go activity bags and are always adding something new for you to try.
