Travel Through Non-fiction

Nonfiction is writing is based on facts, real events, and real people, Nonfiction books tell us so much about the world we live in. They can answer questions and teach us new things. Get excited about our world! This is just a **SMALL** sample of all of the things you can learn more about.

1

Learn more about an Animal

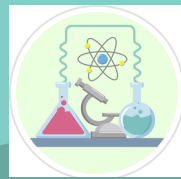

Learn one new thing about an animal and share it.

OR

Draw a picture of your favorite animal.

2

Learn more about Science

Describe something you would see in the natural world and how it works.

OR

Share a question you might have on how something works.

3

Learn more about Technology

Learn something about a tool, an engine, a machine, or electronics and draw a picture or describe it using words.

OR

Make your own invention and tell us what it does and how it works.

4

Learn more about Art

What is your favorite art to look at?

Describe it using as many words as you need or attach a picture.

OR

Create your own masterpiece and take a picture. It can be using any materials. It could be a picture, a sculpture, or something you make from fabric.

5

Learn more about History

What did you find out about a moment or event in history?

6

Learn more about Sports and Games

What things do you like to do that keep your body active?

OR

Tell us about a sport or game you like to practice or play outside.
